

# Products to help with stress

## KSM-66 Ashwagandha®

KSM-66 Ashwagandha® is a full-spectrum, root-only extract with the highest concentration of bio-actives available on the market today. It is created via an aqueous-based, Green-Chemistry process, using no alcohol or any chemical solvent.

Finished products available to you:

Our NPD team has created a cognition capsule (P17287) using KSM-66 Ashwagandha® and other ingredients including Lion's Mane Mushroom Extract and Cognizin®.

## Calmaluma™

Calmaluma™ consists of a *Caralluma Fimbriata* extract (CFE), derived from a cactus-like plant, which has been clinically researched for its therapeutic potential in easing anxiety and stress in adults.

Finished products available to you:

Our NPD team has created a calm capsule (P17286) using Calmaluma™, our TheaGreen® which is theanine from green tea, and magnesium.

## Lion's Mane Mushroom

Lion's Mane Mushroom grows on old or dead broadleaf tree trunks. The mushroom is composed of two parts, the fruiting body and the mycelium. Only the fruiting body is authorised for use in the UK and EU markets.

## Theanine supplementation

Theanine supplementation may be effective in reducing anxiety and stress.

Finished products available to you:

Our NPD team has created a calm capsule (P17286) using TheaGreen®, Calmaluma™ and magnesium.
